

ZEBRA BLINDS

If you are looking for a contemporary look for your window covering. Zebra blinds are a new innovation in window blinds, striped fabric across two layers creates the open and close effect. The unique two sheer fabric facings provide high UV protection with the slats open and closed depending on the type of fabric chosen.

PURPOSE OF ZEBRA BLINDS

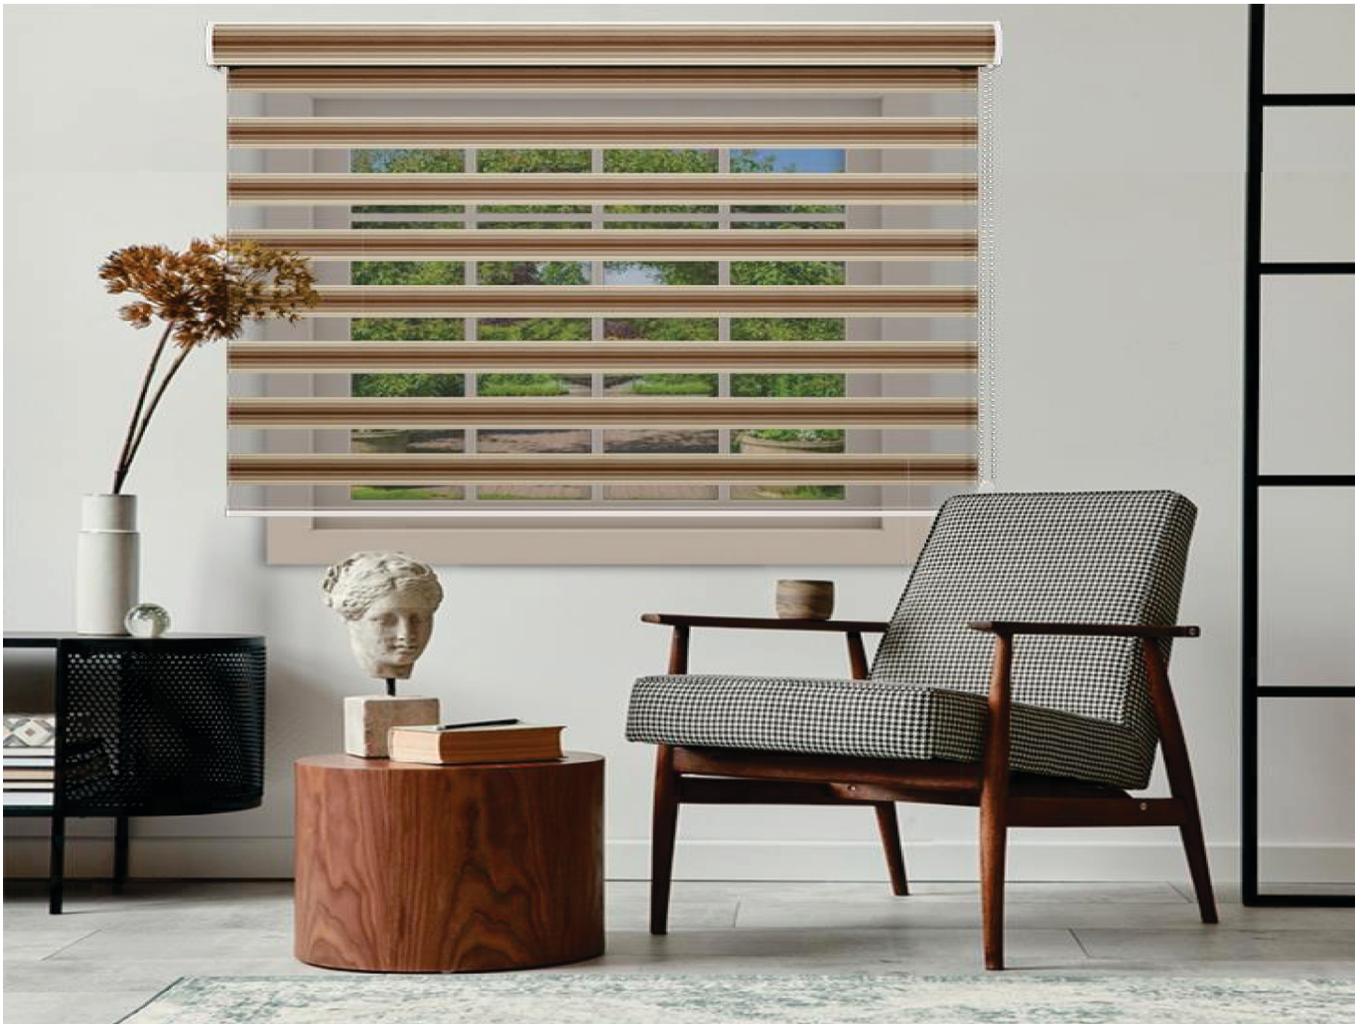

Aesthetic Appeal : The modern and sleek design of zebra blinds adds a contemporary look to any space.

Flexible Privacy : When the opaque stripes are aligned, they block outside views, giving you privacy. When the sheer stripes are aligned, they allow more visibility.

Energy Efficiency : Zebra Blinds can help regulate the temperature in your home by blocking out Direct Sunlight and reducing heat gain.

Pattern Models : The Unique striped pattern adds a visual interest and it can be easily Coordinated with a variety of interior design styles.

Ease of Use : Zebra blinds are generally easy to operate, often featuring smooth chain mechanisms or motorized options for convenient adjustments.

**ENHANCE YOUR LIVING
ENVIRONMENT WITH ZEBRA BLINDS**

GOKULUX FEATURES
